IP WAY je vodeći distributer profesionalne opreme za IP video nadzor u zemlji i regionu. Zastupamo svetski priznate brendove AXIS COMMUNICATIONS, MILESTONE, AIMETIS, NETAVIS, NETEYE, PAXTON ACCESS, BEOVIEW, COGNIMATICS, WINGUARD, IPS i FEONIC. Obezbeđujemo profesionalna rešenja prilikom projektovanja i implementacije IP sigurnosnih sistema. Naši partneri – sistem integratori, uz obezbeđenu tehničko-operativnu podršku, ne poznaju granice u projektovanju i implementaciji IP sistema – bez obzira na individualne specifičnosti projekta. Saradnja koju razvijamo sa projektantima efikasno je primenjena u projektovanju savremenih IP sistema, pa tako sistemi za video nadzor i kontrolu objekata od javnog značaja poput školskih ustanova, javnih saobraćajnica, pa i gradova u celosti, sada imaju referentnu tačku oslonca – IP WAY d.o.o.

IP Way is a leading supplier of professional equipment for IP video surveillance in the country and the region. We represent world renowned brands AXIS COMMUNICATIONS, MILESTONE, AIMETIS, NETAVIS, NETEYE, PAXTON ACCESS, BEOVIEW, COGNIMATICS, WINGUARD, IPS and FEONIC. We provide professional solutions in the design and implementation of IP security systems. Our partners - systems integrators, secured with technical and operational support, know no limits to the design and implementation of IP system - regardless of individual project specifics. The cooperation that we are developing with the designers effectively implemented in the design of modern IP systems, including systems for surveillance and control of public facilities such as school facilities, public roads, and even whole cities, they now have a reference point of support - IP WAY Ltd.
