Korporativna bezbednost predstavlja osnovu i pravac razvoja preduzeća Zodax d.o.o. Beograd. U oblasti tehničke zaštite zvanični smo distributeri i sistem integratori kompanije FLIR Systems. Veliko iskustvo i znanje, profesionalizam, ljudski i materijalni resursi predstavljaju osnovu uspešnih primera u realizaciji različitih projekata u zaštiti strateških sistema i državnih granica.

Corporate security is the basis and development trend of the company Zodax Ltd, Belgrade. Within technical protection, we are the official reseller and system integrator of the company FLIR Systems. Our great experience and knowledge, professionalism, human and financial resources are the basis of successful examples in carrying out various projects of strategic system and state borders protection.
